OFFICERS ARE RE-ELECTED BY PCBL TUESDAY

At the final business session of their 55th annual convention, the delegates to the state meeting of the Pennsylvania Catholic Beneficial League here Tuesday afternoon re-elected their principal officers for another year.

Roger Simpson, Lancaster, was re-elected grand president and these other officers were named for another year: Vice president, Anthony Henry; secretary, Mrs. Lucy Hiemenz, Lancaster, formerly of Gettysburg; financier, James Eckenroth, Lebanon; treasurer, Thomas Monaghan, Lancaster; grand marshal, Clara Kaufhold, Columbia; assistant, Charles J. Long, Lancaster; guard, Mrs. Mary Ramer Eberhart, Gettysburg; medical examiner, Dr. James Hansberry, Lancaster; and these directors, Charles Smith, Lebanon; Clara Kaufhold, Henry Hohn, Lancaster, and Thomas Monaghan.

Fr. Shanahan Council of Lancaster was chosen to be host for the 1956 convention.

Council reports occupied much of the afternoon session after which a social get-together and picnic supper was served at the Mary Ramer Eberhart cottage, Fairfield Rd., at 4:30 o'clock.

The convention convened in the morning at 9 o'clock by attending a mass celebrated by the Rev. Fr. Anthony F. Kane, spiritual director of the association, in St. Francis Xavier Catholic Church.

175 BOYS, GIRLS AT 4-H CAMP

About 175 boys and girls from many sections of the county attended the annual 4-H Day Camp at the South Mountain Fairgrounds Tuesday with 35 or more parents gathering in the evening to witness the vesper and campfire programs.

There was a scavenger hunt and relay contests in the morning. Much of the afternoon was spent playing softball and other games. Supper was served from 5 to 7 p.m. The campfire and candlelighting program was held from 7:30 to 9 o'clock.

Pat Warrenfeltz, of Aspers, was in charge of the vesper service and Joan Tate, chairman of the general committee on arrangements, was "big chief" for the campfire program. Nancy Tate appeared in the candlelighting service as the "spirit of 4-H" and the four H's were represented by William Cleveland, Patsy Snyder, Garnet Coble and Rose Millhimes. The staff from the county farm agent's office attended the affair.

Other members of Miss Tate's general committee included Parker and Garnet Coble, Irene Crouse, Nancy Tate, Rose Millhimes, Barry Breighner and Kenny Cullison.

AIR INSPECTION FAILS TO SPOT OAK WILT HERE

Airplane flights to examine farm and woodland areas for possible outbreaks of oak wilt disease in the Gettysburg Battlefield area — including the farm of President Dwight D. Eisenhower — failed to reveal presence of the destructive disease of oak trees in all of Adams County, the state Department of Agriculture reported today.

The "clean bill of oak wilt health" came after experienced observers in two planes shuttled over the entire county, the western half of York County and eastern portions of Cumberland and Franklin Counties. Spotters reported not a single suspicious area in that section of the state. However, a number of diseased tree areas were reported following other flights over parts of Huntingdon and Bedford counties. These counties last year had the heaviest infestations of oak wilt in Pennsylvania. Early reports indicate fewer occurrences in Bedford County than last year.

According to Dr. Thomas L. Guyton, director of the Bureau of Plant Industry, a clump of oak wilt trees was found three years ago northwest of the Gettysburg airport. It was eliminated through use of chemicals. A close watch is being kept on the area.

Two or more inspection flights will be made over Adams County between now and early September and as high as five survey flights over the south central counties before early September.

NEW OXFORD TO GET COUNTY AID

The Adams County Commissioners approved \$817.23 in county aid for street work in the borough of New Oxford and executed a lease for a new site for the Latimore Twp. voting house at this morning's session of their weekly meeting at the court house.

The grant of county funds is to help finance the paving of 365 feet of North Peters St. eastward to Berlin Ave. in New Oxford. The street now is earth surfaced.

The commissioners signed a lease with Raymond J. Leer, Latimore Twp., for a site for the election house about a mile west of Worley's Corner. The county gets the property for 20 years under the lease and will pay rental of \$5 per year. About three-fourths of an acre of land is involved.

The new site was decided upon when residents of the township petitioned to have the voting place moved from its present site along the Gettysburg-Harrisburg Rd. The voters complained about the old location, chiefly on the grounds that there was no parking space available and that cars had to stop on the highway for voters to reach the polling place.

COUNTY CLUB HEARS HUMORIST

Dr. J. William Frey, head of the Romance language department of Franklin and Marshall College, Lancaster, spoke to more than 100 Upper Adams County Lions, their wives and guests at the Ladies' Night meeting Tuesday evening at the Holiday Inn, near Harrisburg.

Dr. Frey spoke on Pennsylvania Dutch folk lore. He described the Dutch language as an "outward expression of inward feeling which is basic and full of expression and freedom." He announced that on a TV show June 30 the history of the folk lore will be explained as well as what Pennsylvania Dutch is. Dr. Frey closed his talk with a few vocal selections while playing his guitar.

The dinner meeting opened with group singing and the pledge to the flag after which the invocation was given by Earl E. Carey.

Following the turkey dinner, the president, Donald Horst, welcomed the guests and in turn asked that each host introduce his guests. John Brown, chairman of the Attendance Committee, introduced the speaker. Other members of the committee in charge of the arrangements were: Earl Carey, Roy Starner and Clair Taylor.

An added feature of the program was the Gettysburg Lions Club quartet who sang a number of selections.

The quartet consisted of: Paul Grove, Dr. Clarence Bartholomew, David C. Blosser and Walter Meighan with Mrs. Bartholomew as accompanist.

Horst introduced the new president, Elmer J. Yoder, who spoke briefly. The meeting closed with the singing of "God Bless America."

Here And There News Collected At Random

What is the death rate in this country? Your own speedometer may give you the answer.

That advice to motorists who try to drive too far too fast on holidays was issued by the National Safety Council, which is coordinating a nationwide campaign aimed at reducing traffic accidents over the Fourth of July weekend. One hundred and sixty national organizations are participating in the campaign.

The Council estimates that more than 40 million vehicles will be on the move during the three-day weekend and they will roll up more than three billion miles.

In such heavy traffic a driver is never more than a second away from an accident, the Council says. It is estimated that he must make from 20 to 30 decisions an hour—and a wrong one can be fatal.

Over the Memorial Day weekend, 366 persons were killed in traffic accidents. If they had died in a nationwide epidemic the whole country would be taking frantic steps to see that it never happened again, Ned H. Dearborn, president of the Council, said. "But they did die from an epidemic—a highway epidemic we might call the (Continued on Page 2)

Stevens Quits Army Post; Brucker Will Succeed Him

WASHINGTON (AP)—Robert T. Stevens resigned today as secretary of the Army and President Eisenhower nominated Wilbur M. Brucker, general counsel of the Defense Department, to succeed him.

Stevens gave "compelling personal considerations" as his reason for quitting. He was a principal in last year's row between Sen. McCarthy (R-Wis.) and top Pentagon officials, but neither he nor Eisenhower, who accepted his resignation today, made any reference to that spectacular event.

Brucker, a former governor of Michigan, has been general counsel at the Pentagon since April 1954. He will be 61 tomorrow. His home is in Detroit.

The White House announced Stevens' resignation and made public a letter in which the President accepted "with deep regret" just before Eisenhower left on a six-day tour of New England.

Stevens will leave the Pentagon about the end of July. He told Eisenhower he would work out the precise date with Secretary of Defense Wilson.

YORK SPRINGS AUXILIARY PLAN FOR CARNIVAL

The Ladies' Auxiliary of the York Springs Fire Company will meet next Tuesday evening with a covered dish supper scheduled before the meeting. All members and prospective members are urged to attend since the Auxiliary will complete plans for their part in the Annual Lions Club Carnival. While the Lions Club sponsors the affair and receives the proceeds from the games and amusements, the Ladies' Auxiliary prepares and serves the food. This year they will serve roast chicken and beef dinners, with the entire proceeds going to the Auxiliary.

Ruth Kam Lin Meyers, two-year-old daughter of Reverend and Mrs. Amos D. Meyers, was the honored guest at a birthday party at her home on Thursday afternoon. Rev. Meyers showed the children movies. COUNTY WHEAT GROWERS GET 2 DIRECTIVES

Two directives for county wheat growers were issued Tuesday by Roy A. Weaver, chairman of the Adams County Agricultural Stabilization and Conservation committee. The first called attention of farmers to the fact that if their land had no wheat seeded for grain in any of the years from 1953 through 1955, they must apply in writing to the county ASC committee for an allotment by September 15, 1955. Blank application forms are available at the county ASC office for use in filing requests for allotments.

In the other directive Weaver noted that farmers wishing to store wheat produced in 1955 in approved warehouses for purpose of obtaining Commodity Credit Corporation loans would find more space available for storage. Starner Grain and Feed, Hampton, has loan space available for 27,000 bushels and Cargill, Inc., Marietta, Pa., space for 750,000 bushels, Weaver said.

Farmers interested in obtaining price support on 1955-crop wheat may take their wheat to any warehouse approved by Commodity Credit Corporation, and receipts issued by warehousemen should be presented by the farmer to the county ASC office in which the farming operations are located.

In addition to warehouse-stored loans, Weaver said, farm-stored loans are available to farmers if grade and storage eligibility requirements are met. Applications for farm-stored loans should be made at the local county ASC office, York St., Gettysburg.

SURVEY 'FIELD' FOR NEW MOVIE

Harry Hoffman, Hollywood, Calif., production assistant to Dore Schary, vice president in charge of production for Metro-Goldwyn-Mayer, arrived in Gettysburg today to make a survey of the Battlefield in preparation for the filming of a documentary movie on Gettysburg.

Mr. Hoffman will survey the field to determine how large an operating and camera crew will be required, the number of men needed, lighting facilities, platforms, use of booms for extended "shots" and close-ups of equestrian statues, whether a helicopter will be needed and the possible use of a camera car for "running shots."

The picture will be filmed sometime in July, Hoffman said. He will return to Hollywood in a few days.

The movie may have its premiere here.

Two Motorists To Face Code Charges

Two ten-day notices for reckless driving have been mailed by Justice of the Peace John H. Basehore to Howard Hankey, 124 W. Middle St., and Herbert H. Click, 55 Breckenridge St.

Both were apprehended by borough police on York St., the former early Sunday morning and the latter June 11. Hankey, who told borough police that he fell asleep while driving, is said to have struck the parked car of Paul S. Hoffman, York St.

More Polio Cases Now Than In 1954

HARRISBURG (AP)—The state Health Department reports the total number of polio cases in Pennsylvania so far this year is 77 with 7 of those reported during the week which ended yesterday.

Dr. W. D. Schrack, state epidemiologist, said the total compared to 59 cases reported through the same period of 1954. Of the seven new cases none had received any of the Salk antipolio vaccine.

100 KIDDIES TAKE PART IN REC PROGRAM

Approximately 100 youngsters participated in the special events program held Tuesday evening at the Recreation Park. Small cash prizes were awarded the winners of the various hunts.

About 25 took part in the girls' treasure hunt with Doris Klesling being declared the winner on finding the most hidden notes. Kathy Redding found the treasurer note. Others who received prizes for finding notes were Anna Oyer and Mary Harpster.

There were 28 entrants in the boys' treasure hunt which was won by Ronald Weller who found the most notes. Jerry Neth won the award for finding the treasure note. Others who were rewarded for finding notes included Wayne Schultz, David Neth, Michael Krick, Thomas Knox and Ronald Doakes. Seventy-two youngsters took part in the penny hunts. There were 12 girls and 15 boys in the hunt for youngsters six years of age and under. Colleen Kennell and Denny Smith received awards for finding the most pennies.

Twenty-five participated in the seven and eight-year age group affair with top honors going to Charles Abell. There were 20 contestants in the nine and 10-year age event which was won by John Wormley.

A total of 92 kiddies participated in the peanut scramble. There were 29 six-year-olds or under, 38 of seven, eight and nine years, and 25 of the 10, 11, 12 and 13-year-old bracket.

Due to the Gettysburg Fire Co. carnival on the Recreation Field next week there will be no special events next Tuesday evening. However, all other playground activities will be held as usual.

The next special events program will be held Tuesday evening, July 5, at 7 o'clock when a pet show will be staged.

Italian Premier Resigns Office

ROME (AP)—Premier Mario Scelba today turned in the resignation of the coalition government with which for 15 months he has battled Italian communism and backed the West.

Even as Scelba was closeted with President Giovanni Gronchi in the Quirinale Palace, a communique from this morning's heated Cabinet session said:

"The Council of Ministers agreed unanimously on the presentation to the President of the resignations of the entire Cabinet."

Scelba's own political party, the Christian Democrats, had pulled the rug from under him and started a government crisis.

If Gronchi accepts the resignation, conferences with party leaders will begin at once to pick a new Prime Minister to succeed the tough little anti-Communist Sicilian.

If Gronchi refuses to accept the resignations, Scelba will face a test of confidence in Parliament immediately, with his own party split in a revolt against him.

His vice premier, Social Democrat Giuseppe Saragat, said split-off Rightist groups of Christian Democrats had made a deal with the Monarchist-Fascist Right.

TRUCK BILL BEFORE LEADER

HARRISBURG (AP)—The highway trucking industry looked to Gov. Leader today to sign a bill increasing legal truck weight limits and end their long struggle for enactment of such legislation.

Both House and Senate took part in final legislative action yesterday which sent the controversial measure to the governor.

Leader has not said definitely what action he will take on the bill which increases the maximum weight of commonly used trucks from 45,000 to 60,000 pounds.

Assembly action was concluded when the Senate, without a word of debate, passed the bill 40-5. The House, where the bill had originated earlier this year, quickly approved Senate amendments.

Voting against the truck bill were Sens. Fleming (R-Allegheny), Haluska (D-Cambria), McPherson (R-Adams), Stevenson (R-Clinton) and Miller (D-Beaver).

Absent at roll call—when the bill was called up unexpectedly out of order on the Senate calendar—were Sens. Holland (D-Allegheny), Camiel (D-Phila.), Ruth (D-Berks), Yosko (D-Northampton) and Derk (D-Lycoming).

Ruth and Yosko later announced on the Senate floor they would have voted for the bill while Holland said he would have voted against it. Derk is on a leave of absence because of illness.

CYCLIST IS KILLED

POTTSVILLE, Pa. (AP)—William Brown, 10, died yesterday in Pottsville Hospital of injuries suffered when the bicycle he was riding collided with a tractor-trailer on Rt. 122 near his home.

Police said the truck was operated by John Steigewalt of Schnecksville, Pa., an employee of New Tripoli, Pa., coal hauling firm.

HARRISBURG (AP)—The state Civil Service Commission will hold examinations in nine cities July 9 for state police student recruits. The commission said the police have asked for tests for 400 applicants for training at the state police school at Hershey. The written examination will be held in Allentown, DuBois, Erie, Altoona, Harrisburg, Pittsburgh, Philadelphia, Wilkes-Barre and Williamsport.

WASHINGTON (AP)—President Eisenhower left by plane at 11:20 a.m. today for Rutland, Vt., first stop in a series of informal speeches in three New England states.

U.S. WANTS U.N. TO HAVE DATA ON ATOMIC TESTS

SAN FRANCISCO (AP)—The United States wants all countries to give the U.N. information on atomic tests so the world can see they are not a threat to human health if properly safeguarded.

If everyone agrees to this proposal, it would mean that the Soviet Union and Britain, the only other powers known to have conducted atomic tests, would turn in data on radiation and fall-out.

Veteran observers at the U.N. speculated that even with the new Soviet policy of sweetness and cooperation Moscow is not yet likely to submit any important data on nuclear tests.

Results of the fall-out from nuclear tests over the Marshall Islands and in Nevada are known but nothing has been published by the Russians on their nuclear tests.

Henry Cabot Lodge Jr., permanent U.S. delegate to the U.N., started this latest move in the complicated atomic picture last night by issuing a statement. U.S. sources emphasized the statement had no relation to the U.N. 10th anniversary celebration in progress in San Francisco and no bearing on the Big Four conference next month in Geneva.

They said that after consultations with other governments, the United States had decided the time had come for such data to be submitted. It could not be put into effect until after the U.N. Assembly has taken action, if it does, at the next session beginning Sept. 20 in New York.

MAY ADMIT 6 TO UNITED NATIONS

SAN FRANCISCO (AP)—A long stalemate over admission of new members to the United Nations may be nearing a solution—with Russia's agreement.

Diplomats reported last night that Soviet Foreign Minister V. M. Molotov was agreeable to the admission of three non-Communist and three Communist nations.

The first three were said to be Austria, Italy and Finland and the latter three Hungary, Romania and Bulgaria.

Russia previously has held out for a package deal involving 14 of the 21 countries currently applying for membership—including some Red nations that have failed to obtain a majority vote in the Assembly.

The basis of last night's reported agreement would be that the six nations have signed peace treaties with the big powers. Molotov reportedly said Japan could enter under the same formula when and if she signs a peace treaty with Russia.

three "Is"—incompetence, indifference and irresponsibility!

"Their deaths are a tragic reminder that too many of us have forgotten to use the Golden Rule in traffic. When we share a common highway, we are our brother's keeper in a very real sense. I believe the Memorial Day toll could have been cut in half if that attitude had prevailed more generally."

For a safer Fourth, the Council offers four driving tips:

Start early, before traffic is heavy. You can cover a lot of miles in relatively light traffic early in the day.

Don't compete in traffic—let the other fellow go first.

Don't follow the car ahead too closely. Double check before passing or changing lanes.

Above all don't speed. Losing a little time is better than losing your life.

Movie Actress Weds Former Husband

HOLLYWOOD (AP)—Actress Marie (The Body) McDonald has remarried her favorite allergy.

Her mother said yesterday that Miss McDonald phoned to say that she and her ex-husband, shoe manufacturer Harry Karl, were married a week ago in Yuma, Ariz.

After their Las Vegas, Nev., divorce last November the shapely actress said that she was allergic to Karl. "When I am with Harry I get sick," she said.

Twelve days later they decided to get married again. They tried five times in Europe and Africa but were blocked by technicalities. When they got back to Hollywood in January Marie said their edding plans were all off.

Mrs. James Roosevelt Is Granted Divorce

PASADENA, Calif. (AP)—Without mention of her previous charges of misconduct, Mrs. Roosevelt won a default interlocutory decree of divorce yesterday from Rep. James Roosevelt (D-Calif.) She alleged extreme cruelty.

Mrs. Roosevelt, former nurse, testified that the eldest son of Franklin D. Roosevelt was in the habit of staying out late at night, would not account for his movements, finally told her he wanted a divorce.

Superior Judge Kurtz Kauffman approved as "fair and equitable," a property stipulation agreed to last June under which she receives \$1,625 a month for herself and their three young children, whose custody she retains. He did not, however, make it a part of the decree. Mrs. Roosevelt would have to institute suit, rather than seek a contempt citation, if Roosevelt failed to live up to terms of the agreement.

C. O. MECKLEY IS GUEST SPEAKER FOR ROTARIANS

Claude O. Meckley, Hanover postmaster, presented an Independence Day talk at the meeting of the Littlestown Rotary Club on Tuesday evening at Schott's Hotel. He traced the history of freedom from Biblical times down to the present day, and said that "we should appreciate the principles of our forefathers who believed in holy writ." Mr. Meckley said further that "there is more danger from the enemy within than those without, and America can be kept safe by the old fashioned examples of our forefathers." The speaker was introduced by Stanley B. Stover, of the vocational service committee, which was in charge of the evening's program.

Carl F. Hermann introduced the following visiting Rotarians: E. J. Powell, Upper Darby; Lewin N. Hitchcock and Stanley S. Tevis Jr., Westminster; Dr. Donald B. Coover, president, announced that the local club was fourth in attendance of the district for the past month, with one meeting attended by 84 per cent membership. Prior to the business, the invocation was offered by Paul E. King. L. Robert Snyder was song leader for the group singing.

Installation of officers will take place at the meeting next Tuesday evening at 6:15 p.m. The newly elected officers include: President, Cloy I. Crouse; vice president, Paul R. Snyder; secretary, Luther R. Ritter; treasurer, Edward H. Leister; sergeant-at-arms, Albert J. Blair; song leader, L. Robert Snyder; editor of the club bulletin, Lloyd L. Stavelly; directors for two years, Cloy Crouse, Paul Snyder and Stanley B. Stover; directors for one year, Dr. Donald B. Coover, Paul E. King and Clarence R. Reck. The program will be in charge of the club service.

July Wheat Goes Below 90 Cents
A Bushel In Chicago: New York, June 23 (AP) — Losses of \$1 to \$9 a share marked the New York stock exchange this morning.

The decline was accelerated by another sharp break in the Chicago grain market where the July futures went below 90 cents a bushel for the first time since 1914.

Cole Is Named County Head Of Democrats: Without opposition and by unanimous vote, James C. Cole, of the Narrows, was elected chairman of the Adams County Democratic committee at the biennial reorganization meeting at the court house Monday evening.

Mr. Cole, a former member of the state legislature, served as chairman for the unexpired term of the late Robert D. Bream, relinquishing the position two years ago to Robert Fisher, Butler township, on account of health.

County Youth Aids In Feat: In a play piloted by Lieutenant John M. Welker, of McKnightstown, now stationed at an army air corps school at Rantoul, Illinois, first aerial flashlight pictures of downtown Chicago were made Wednesday night by Lieutenant George W. Goddard.

Dr. Billheimer To Head Archeological Institute: Dr. Albert Billheimer, Springs Ave., professor of Greek at Gettysburg College since 1912 and director of the summer school for two years, today announced that he has resigned to become general secretary of the Archeological Institute of America and associate professor of classics at New York University. He will begin his new duties in the fall.

Theater Lease Here Is Sold: Warner Brothers, moving picture magnates, have announced the purchase of the Appel chain of moving picture theaters in outeastern Pennsylvania, including the Majestic theater here.

County Couple Wed Tuesday: Miss Mary Small, daughter of Mr. and Mrs. Louis Small, McSherrystown, and Robert Strausbaugh, son of Mr. and Mrs. Augustus Strausbaugh, Edge Grove, were wed Tuesday morning in St. Mary's Catholic Church, McSherrystown, by the Rev. Fr. L. Augustus Reudter.

Repair Dam At Marsh Creek Resort: Repairs have been completed to the breast of the dam at Marsh Creek heights and boating and bathing are again being enjoyed by members of the summer colony and hundreds of visitors who flock there on hot days. Part of the dam was washed out by high waters during the spring and cottage owners joined in repairing the break.

Sherdel, County Boy, Traded To Boston: "Wee Willie" Sherdel, of McSherrystown, Adams County's present contribution to major league baseball, and Fred Frankhouse, both mainstays of the St. Louis Cardinals pitching staff, were exchanged on Monday for Bureigh Gromes of the Boston Braves.

Today's Talk

UNEXPECTED SPARKS

In my Nova Scotia summer island retreat I have a big log fire-place. I wouldn't have a home anywhere, if I could help it, that didn't have a fireplace, no matter how small. It does something to you that you may not realize at the time, but as you sit before its fire when it's chilly, you warm to it while it warms to you! And there is something nostalgic about it — especially as it dies out.

Many a thought and lesson on life is displayed in the log fire. I recently came across an apt quotation but I do not know its author. Here it is: "Our brightest flames of gladness are commonly kindled by unexpected sparks." An unexpected letter, perhaps, a telegram or some simple, though inexpensive gift, or an unexpected meeting with a stimulating friend. These unexpected sparks are the life of life! Those sparks that crackle and often shoot against the fire screen are symbolic of the bright thoughts that come to one when sitting before such a burning of logs, while engaged in good talk with a friend.

There are writers who have the gift of so composing their thoughts that their talk sparkles, and when put into print it loses nothing of its original expression. I take little stock in these modern humorists who have to depend upon ghost writers to give them popularity. Their humor is synthetic. Rather have I always enjoyed Mark Twain, George Fitch (Siwash College), Kim Hubbard (Abe Martin), Don Marquis (archy and mehitabel) and delightful H. I. Phillips. These natural humorists have sparks to their talk. Long may their name be blessed!

Many of our days would seem dull and dreary were it not for the fact that unexpected sparks of some nature enter into the experience of almost every day — if we get in their way! In fact we can create them ourselves. It's the tiny spark that ignites in our automobile engine that makes it go. The unexpected ones in our daily lives are what make us go!

Tomorrow Mr. Adams will talk on the subject: "Connie Mack Walks!"

THE BARBER AT BAD AXE

The barber at Bad Axe was just a bit older
And bothered at times by a
twinge in his shoulder.
The sad and deplorable fact that
I write is,
His fingers show signs of a touch
of arthritis.
But out on the golf course he
seems to be thriving;
His aches and his pains haven't
bothered his driving.

At the chair where he stands
every morning to clip them,
A recital of miseries many he'll
slip them.
The time that he spends while
his razor he's honing,
He uses for wailing and moaning
and groaning.
But out on the golf course his
wallet gets fatter;
With his putting there plainly is
nothing the matter.

His legs have grown shaky; much
sooner he wears.
Of surgical treatment now
greater his fear is.
His appetite's failing; his ulcers
upsetting;
And better, he's certain, he'll
never be getting.
But the barber at Bad Axe, so
pale and so sickly,
Once out on the golf course gets
well rather quickly.

IS STUDYING AT
U. OF MICHIGAN

Miss Dorothy Alexander, W. Baltimore St., left Saturday morning for Ann Arbor, Mich., where she has enrolled at the University of Michigan. Miss Alexander is librarian at Catonsville High School and is working toward her Master's degree in Library Science.

Recent visitors at the home of Mr. and Mrs. William Naill, Bridgeport, Md., were Mrs. Naill's brother and sister-in-law, Mr. and Mrs. Henry Hoke, Fairfield.

Sunday visitors at the home of Mr. and Mrs. Chester Carten, daughter, Joan, Emmitsburg Road, were Mr. and Mrs. Harry Nussbaum and Mr. and Mrs. Kenneth Nussbaum, near town, and Mr. and Mrs. Wilson Stair, Littlestown.

Other visitors during the weekend were Rev. and Mrs. Laverne Rohrbaugh, Biglerville, and Mrs. Laula Basehore, E. Baltimore St.

Mrs. S. B. Johnston, York, spent several days with her son-in-law and daughter, Mr. and Mrs. James Fiscus, Harney Road.

Dr. and Mrs. W. E. Stevens and sons, Craig and David, Philadelphia, are visiting Mr. and Mrs. James Fiscus, Harney Road.

Sunday guests at the home of Mr. and Mrs. Wilbur Naylor, W. Baltimore St., were Mrs. Naylor's brother-in-law and sister, Mr. and Mrs. Daniel Ott, Smithburg, and nephews, Larry and James Cassell, Braddock Heights, Md.

Firemen Pleased
With Their Carnival

While no final returns are in on the total cleared by the Taneytown Firemen's Carnival, fire company officials appeared to be satisfied with the results. Treasurer David Smith said, "We had a pretty good week, and we ought to clear a pretty good sum. But we can't even make an estimate until the bills are all in."

"It was slow going early in the week, because of the damp weather, but things picked up. We had fine crowds Thursday and Saturday nights. We probably went over our last year's total in attendance." The firemen's parade was held Thursday night, and prizes were awarded Saturday night.

The Saturday night prize, a new car, was won by Paul Strine, president of the New Windsor Fire Company. The main prize winners Thursday were the Littlestown High School Band, \$80 as best appearing band; the Harold H. Bair Band, Hanover, \$80 as best appearing drum and bugle corps; the Alpha Fire Co., Littlestown, \$35 as best appearing fire company marching unit; and the Gettysburg Fire Department, \$35 for the most uniformed men in line.

Kiwanians To Buy
Flags For Scouts

Raymond Wright will be in charge of the program at the Kiwanis Club meeting to be held this evening at the Taney Inn. Wives and other guests have been invited. At last week's meeting, routine business was transacted. The board, after the general meeting, decided to purchase flags and standards for the local Girl Scout troop.

The Ki-Wives installed officers at a meeting Monday evening at Taney Inn. Mrs. Marion Wallace, wife of the past governor of the Capital District, was in charge.

Lions And Ladies
To Meet At Harney

Lions and their ladies from Taneytown are looking forward to their money in the Harney Firemen's Hall Tuesday, June 28, at 7 p.m., when International Counselors Roland Young of District 22A and Murray D. Ryan of 22W, both past district governors, will be present at the invitation of Singleton E. Remsburg, chairman of the affair.

Lion Young will speak and Lion Ryan install officers and present various awards earned by individuals and the club as a whole, at a fried chicken dinner to be enjoyed with Delmar E. Riffle's organ music. Reservations to be handled by Secretary Kenneth C. Shorb.

The receiving line will include Lion and Mrs. Murray M. Baumgardner, Lion and Mrs. J. Alfred Heltebride, Lion and Mrs. Homer J. Myers, Lion and Mrs. Raymond J. Perry, Lion and Mrs. Edmund P. Welker, and Delmar Riffle and Kenneth Shorb. A door prize will be provided and there will also be musical entertainment on the program.

Caught After Chase,
His Fines Total \$375

An attempt to flee from Taneytown police has netted a Hanover R. 3 man a sixty-day jail term and fines totaling \$375. Walter T. Hoff, 20, fled from the Taneytown firemen's carnival Tuesday evening, June 14, and led police on a 5½-mile chase down the Westminster Road.

Police Chief Robert Koontz stated that he had stopped Hoff, who was one of a group of youngsters "cutting up" around the carnival ground, to caution him about his defective muffler, when the youth fled. Koontz pursued. The chase led through a red light and over a lawn before Hoff's engine blew a gasket, and Koontz was able to catch him.

Hoff was lodged in the Carroll County Jail and the next morning taken before Magistrate C. Rogers Hall Jr. in Westminster. There he pleaded guilty to charges of reckless driving, exceeding 75 m.p.h., going through a red light, going through a stop sign, and passing on a hill. Hall sentenced him to 100 fine and 30 days in jail on the first count, \$200 and 30 days on the second count and \$25 fine on each of the last three.

Ted Williams' Homer With Two On In Eighth Beats Detroit As Boston Climbs Up To .500 Mark

The Associated Press
By ED WILKS

If Ted Williams doesn't call it quits for good this season, the Boston Red Sox management is going to be in one heckuva pickle—how can you give a raise to a guy already making a hundred grand?

A player in that salary bracket (which means Williams, although he's getting a scaled-down check because of his late start) doesn't figure to get a bonus no matter what he does. But he is worth \$100,000 to the Red Sox and baseball, at the gate alone, just by putting on a uniform.

Take last night. The Red Sox made it 12 out of 14 by beating the fourth-place Detroit Tigers 5-4. It was Williams' home run with two on in the eighth that did it.

When Williams came back May 26, Boston was 17-24 for the season. They won seven of the next 13 with Williams, still getting into shape, appearing only infrequently.

Then, 10 games ago, Williams took over left field as a regular. Boston has won 8 of the 10, pulling up to .500 at 32-32. Ted has hammered seven home runs, driven in 14 and batted .429 for the 10 games.

The homer last night was on a 3-0 pitch by Ned Garver. Ellis Kinder, another old pro like Williams, came on in relief in the ninth to preserve Tom Hurd's victory.

Long One For Mickey
In New York's Yankee Stadium Mickey Mantle blasted a 466-foot homer as the Yankees beat Kansas City 6-2. It was one of the longest balls ever belted in the stadium.

The second-place Chicago White Sox beat Washington 6-1 and third-place Cleveland trimmed Baltimore 3-1.

7th Loss For Kellner
Alex Kellner, losing his seventh straight to the Yankees, was the victim of Mantle's blast with none on in the first. He left in a four-run Yank fourth. Tommy Byrne won his fifth.

Washington gave the White Sox three unearned runs and Chicago took it from there. Bob Porterfield was the loser while Virgil Trucks won his eighth.

Bob Lemon, retiring with a leg injury after seven innings, became the first American League hurler to win 10 this season. Al Smith's two-run homer in the fifth supplied the edge against the Orioles and loser Jim Wilson.

12th Win For Newcombe
Newcombe was sent into overtime for his 12th triumph in 13 decisions after being tagged for a homer by Ernie Banks in the seventh that knotted it at 2-2.

The Brooks broke out for five runs in the 11th, chasing Warren Hacker as Roy Campanella led off with his fourth hit, a double. Newk drove in two runs.

Bob Buhl tossed a six-hitter for the Braves and Eddie Mathews and Joe Adcock homered to put it away. The Pirates got their first hit off the right-hander in the fourth, after Buhl had retired nine in order.

Little Jackie Collum dumped the world champs to their sixth straight defeat as the Redlegs finally beat Johnny Antonelli. Willie Mays was back for the Giants, but was hitless in four trips.

Back-to-back homers by Richie Ashburn and Gran Hamner gave the Phils three runs in the ninth to beat the Cards.

In a free-swinging and loosely played softball league game Tuesday evening, the Texas Lunch handed the American Legion an 18-15 setback to vault into third place.

The loss was the seventh in as many games for the Legionnaires.

After the Legion had taken a 10-4 lead with four runs in the top of the fourth inning, the lunchmen scored four times in the last of the same inning, added six in the fifth and four more in the sixth to clinch the verdict.

The Legion outthrew the winners 21-13 with McKee pounding a homerun.

Jalopy Stock Car Races On Friday

WILLIAMS GROVE, Pa.—Resurfacing of the half-mile Williams Grove Speedway was under way this week to provide a faster track when the jalopy stock car drivers return to resume their weekly series of racing on Friday night.

The Class B race, a 15-lap race for non-qualifiers from the main event, was inaugurated last week and will be continued to give these drivers a chance to win money in a special purse for the event set up by Owner Roy Richwine.

The big event will continue to be the 20-lap Class A feature, starting 33 of the fastest cars and best drivers from the large field.

Starters in the Class A race will be the first 11 finishers in three 10-lap qualifying heats, with the remainder to start in the Class B event.

Schenectady's Henry Mason is collecting scoreless innings in the Eastern League.

The Blue Jay's Negro right-hander fired his slant past the Williamsport batters' last night and ran his string to 18 scoreless innings.

Mason scattered four hits, shutting out league-leading Williamsport 3-0.

He delivered a double to the Jay's hitting attack, driving in Schenectady's final run in the fourth.

Three of the four games played in the Pen-Mar Baseball League Tuesday evening were decided by one run margins and resulted in Blue Ridge Summit increasing its first place lead by one full game.

Blue Ridge eked out a 3-2 victory over Fairfield on the latter's field. Fairfield secured but four scattered hits off Smedley, two of which came in the fourth to produce the loser's lone earned run. Orner and G. Weikert divided the hurling for Fairfield and gave up a total of seven hits.

Union Bridge dropped two full games back of the league-leaders in bowing 1-0 before the invading New Windsor outfit. The game was one of the best played and fastest of the season, requiring but one hour and 20 minutes. Roop allowed Union Bridge but two hits while New Windsor secured four off Sprague.

The lone run of the game came in the top half of the first inning and was unearned. An error and two hits produced the tally.

New Oxford came up with four runs in the last of the sixth inning to nip Cashtown 7-6 at New Oxford in a game which was protested by the losers' on a league ruling requiring seven innings for a twilight game. The umpire called the game immediately after New Oxford tabbed its seventh run in the sixth.

Each team scored two runs in the first inning. Cashtown tallied on a single by Cloyd Spence, double by Single and singles by Guy Donaldson and I. Herring. New Oxford's runs came on a double by B. Lawrence, sacrifice, and singles by Gebhart, B. Miller and G. Miller.

Cashtown broke a 3-3 tie with a trio of runs in the top of the sixth. An error, double by Spence, a walk to G. Herring and double by Single produced the tallies. New Oxford's fast finish resulted on a pair of errors, singles by B. Miller and Wolf and a double by Byers.

Three runs in the top of the fifth inning gave the Lions a 5-2 win over the league leading G. L. Bream Yankees on the Little League diamond Tuesday evening.

The win was the fourth for the Lions and the Yanks have now lost three to cut their lead to two and one-half games.

With two out in the third, Dennis Little and Howie Weikert singled and Bob Bigham walked to load the bases. Eugene Miller then singled to drive in one run while on infield miscue placed Ahrens on first and allowed two runs to come across. This was all the Lions needed to break a 2-2 deadlock and go into the final innings with a comfortable lead.

The Yanks were the first to tally as they pushed in their only runs in the bottom of the first. Singles by Jim McClellan and Wayne Fissel and a couple of Lion errors accounted for the scoring.

Deadlock Score
The Lions came back in the second to tally a run. Denny Little singled, Bigham walked and John Ahrens lashed out another single to drive in Little. In the next inning the Lions knotted the count by adding another run. Howie Miller doubled and an infield error allowed him to race to third. An error that put Hull on also aided Miller in scoring. The Lions went on to load the bases but Fissel braced to retire the side without further damage.

Denny Little was the big gun at the plate for the Lions as he blasted out three hits in four trips to the plate. Wayne Fissel and Bill Swope led the Yanks with a pair of safeties each. Howie Miller receives his third mound victory against one loss, while Fissel, who went the distance, is charged with his second loss.

Babe Zaharias To Be Operated Upon

GALVESTON, Tex.—Babe Didrikson Zaharias will be out of golf at least three months following spinal surgery, her physician said yesterday.

Mrs. Zaharias will undergo surgery to correct a ruptured disc "within a very few days," Dr. R. S. Snodgrass said. The operation will be at John Sealy Hospital by the professor of neurosurgery at the medical branch of the University of Texas.

Snodgrass said X-rays have been completed and Mrs. Zaharias has agreed to the operation. She is believed to have hurt her back when she tried to push her car after it got stuck in sand in South Texas about three months ago.

He emphasized the injury has nothing to do with the successful cancer operation she underwent two years ago.

Censored Reports Tell Of "Normalcy" In Argentina

By SAM SUMMERLIN

BUENOS AIRES, Argentina (P)—With President Juan Peron keeping to the background, Maj. Gen. Franklin Lucero continued Wednesday to direct the campaign to restore full peace to this nation left tense by revolt.

The balding, square-jawed army minister, holding the top role in the postrevolutionary period, said again in a communique early today that the situation is "steadily normalizing without any inconvenience."

(News dispatches from Argentina have been subject to censorship since last Thursday's revolt by navy fliers and Marines. Argentine refugees in Montevideo, Uruguay, believe negotiations are now under way in Buenos Aires to set up a three-man junta—including Peron—to rule the nation. The other two members reportedly would be Lucero and Rear Adm.

Alberto Teisale, the vice president.)

State Of Siege

As head of the nation's armed forces, Lucero spread his control over all activities of the country, which is still under a state of siege. Despite the strict army checks, most of Buenos Aires had the appearance of normalcy.

The first American casualty of last week's brief but bloody fighting in the capital was reported Monday night. He was a Graham E. Tune, a Detroit industrial engineer employed by the Kaiser Motors Corp.'s new Argentine subsidiary. Company officials found and identified his body in a city morgue yesterday. They said a bomb apparently had dropped near him.

Despite Lucero's protestations of returning normalcy, his communique for the second successive day warned the public against rumors of continuing conflict. As he had before, he termed these "completely false" but admitted that they had "increased considerably."

18 Planes Recovered

The communique reported that 18 planes used by the rebels in bombing government sites had been flown back from Uruguay, where the insurgent pilots fled for refuge. Fourteen junior officers returned with the planes, declaring that they had not taken any voluntary part in the rebellion.

Lucero and the military reaped a growing publicity harvest in the nation's press at Peron's long-time prominence on front pages slipped. None of Buenos Aires' afternoon newspapers published a picture of the President Monday, previously a rare occurrence in the Argentine capital.

Peron also was absent from yesterday's observation of Argentine Flag Day in Buenos Aires—an occasion which he almost never missed in the past. Army officers held the center of the stage at the ceremonies honoring Gen. Manuel Belgrano, who created the nation's blue and white banner.

State May Cancel Old College Liens

HARRISBURG (P)—Old liens the commonwealth holds on some buildings of the University of Pennsylvania and Temple University would be canceled under new legislation before the Senate.

Sen. Stiefel (D-Phila.) sponsored two measures last night to take that action.

Other new Senate bills would: Bar imposition of a wage tax or income tax in Pittsburgh on non-residents — Koprivier (R-Allegheny).

Make private airplane operators liable for damages if their riders are killed or injured — Weiner (D-Phila.).

Appropriate \$25,000 to pay salaries of a number of mercantile appraisers who were not paid from the period Sept. 1, 1942, to July 31, 1943 — Weiner, Donolow (D-Phila.), Silver (D-Phila.), Barr (D-Allegheny) and Dent (D-Westmoreland).

Permit the exchange of liquor licenses for beer licenses — John T. Van Sant (R-Lehigh).

Today's observation of Argentine Flag Day in Buenos Aires—an occasion which he almost never missed in the past. Army officers held the center of the stage at the ceremonies honoring Gen. Manuel Belgrano, who created the nation's blue and white banner.

More than 300 different products are packed under pressure in cans so that they can be sprayed out.

SENATE PASSES BILL TO LIMIT CITY WAGE TAX

HARRISBURG (P)—A perennial bill throwing out the effect of Philadelphia's wage tax on non-residents moved into the House today after 26-19 approval by the Senate.

Like similar bills of recent years, however, the measure faced rough waters in a House committee.

Sen. Barr (D-Allegheny) predicted prior to approval of the measure by the Republican-dominated Senate that it would lie "dormant in a House committee."

But debate on the issue—usually reserved for the last week of the Legislature session—afforded

Sen. Watkins (R-Delaware) with a new opportunity of lambasting the law by which the Quaker City is able to collect 1 1/4 per cent of the earnings of non-residents working within city limits.

Watkins termed the tax on suburbanites "unholy and unjust."

"Taxation Without Representation" "I can't see how any senator, Democratic or Republican, can approve a tax on people who have no say whatsoever in the government," he said.

"Taxation without representation" was the Delaware County senator's representation of the levy.

Numerous Philadelphia Democrats, however, defended the tax as one which suburbanites were duty-bound to pay for the services they receive while working in the city and for the very fact

that the city's existence affords them an opportunity to make a living.

In previous years, Philadelphia Republicans—of which there now are none in the senate—also fought against lifting the wage tax on non-residents.

Point To "Benefits"

The difference this time was that Democrats, who now control Philadelphia's city government in contrast to 68 previous years of GOP rule—pointed up the "benefits" the new administration has brought to Philadelphia area residents.

Sen. Donolow (D-Phila.) asserted that new industry attracted to the city by the Democratic administration and new Philadelphia airport improvements benefit the entire area.

"If they (the suburbanites) are

willing to take, then they should be willing to give, too," Donolow declared.

When the tides reverse in Chesapeake Bay, they often produce underwater storms much like hurricanes in the air, says the National Geographic Society.

Prospects For Apple Crop Good In Most Sections Of State; Say Peach Crop Will Be Below 1954

Prospects for apples are good in all areas of Pennsylvania except the west-central counties, the state Department of Agriculture reported following June 1 Federal-State surveys.

Production estimates will be made as of July 1 and will give comparison with last year's average crop of 6,020,000 bushels from commercial orchards.

Some varieties of apples are said to have a thin set, especially York, Stayman and Jonathan, and Delicious in some areas, the Department said. Rains the early part of June will help greatly in adding size to apples, observers declared.

State-wide Summary

In a summary of the apple situation for the spring months, the Federal-State report said in part:

"Apple bloom started in the important southcentral and southeast areas at about the usual date, but was seven to 10 days earlier than usual in the northwest. But formation was good and bloom heavy on most varieties despite the dry season for the past two years and the relative large crop last year. Trees were dormant during winter and early spring freezes in most areas."

"Early March was open and warm, but cold, windy weather the last half of March retarded bud formation. April was very warm, but fortunately freezing or near freezing weather occurred only in the mountain sections."

Peaches, Sweet Cherries Off

"May was very dry and slightly warmer than usual. Rainfall for the state totaled 1.89 inches—about 46 per cent of normal which with most falling during the last week and was accompanied by hail in some areas."

"First estimates for 1955 show production of peaches, pears and sweet cherries will be slightly less than last year."

The all-important peach crop, as of June 1, is forecast at 2,320,000 bushels compared with the 2,850,000 bushels harvested last year and the

10-year average of 2,189,000 bushels, Federal-State surveys revealed.

Pears are estimated at 175,000 bushels against 195,000 last year and the 1944-53 average of 225,000 bushels. Sweet cherries are forecast at 1,000 tons compared with the revised estimate of 1,100 tons last year and the average of 1,140 tons.

Sour Cherries Later

Forecast on red sour cherries will be announced later.

With peaches running above average in Pennsylvania, growers are expecting an unusually heavy demand this season. National output is estimated at 48,025,000 bushels, 22 per cent less than last year and 30 per cent below the 1943-52 average. The short national crop is due mainly to a near failure of peaches in the Southern States because of heavy freeze damage, the Department said. It was reported that prospective production in the south is too small to warrant a forecast.

A crop of 5,760,000 bushels of peaches is expected in the states of New York, New Jersey, Pennsylvania, Virginia, West Virginia, Delaware and Maryland. This is 17 per cent below last year and 12 per cent under average.

Fewer In South

With few peaches available in the South this year, buyers for some weeks have been inquiring in Pennsylvania and surrounding states for supplies, Department observers said.

Recent rains will greatly aid the Pennsylvania peach crop, the survey showed. Bloom was heavy this year and the crop set well in most areas.

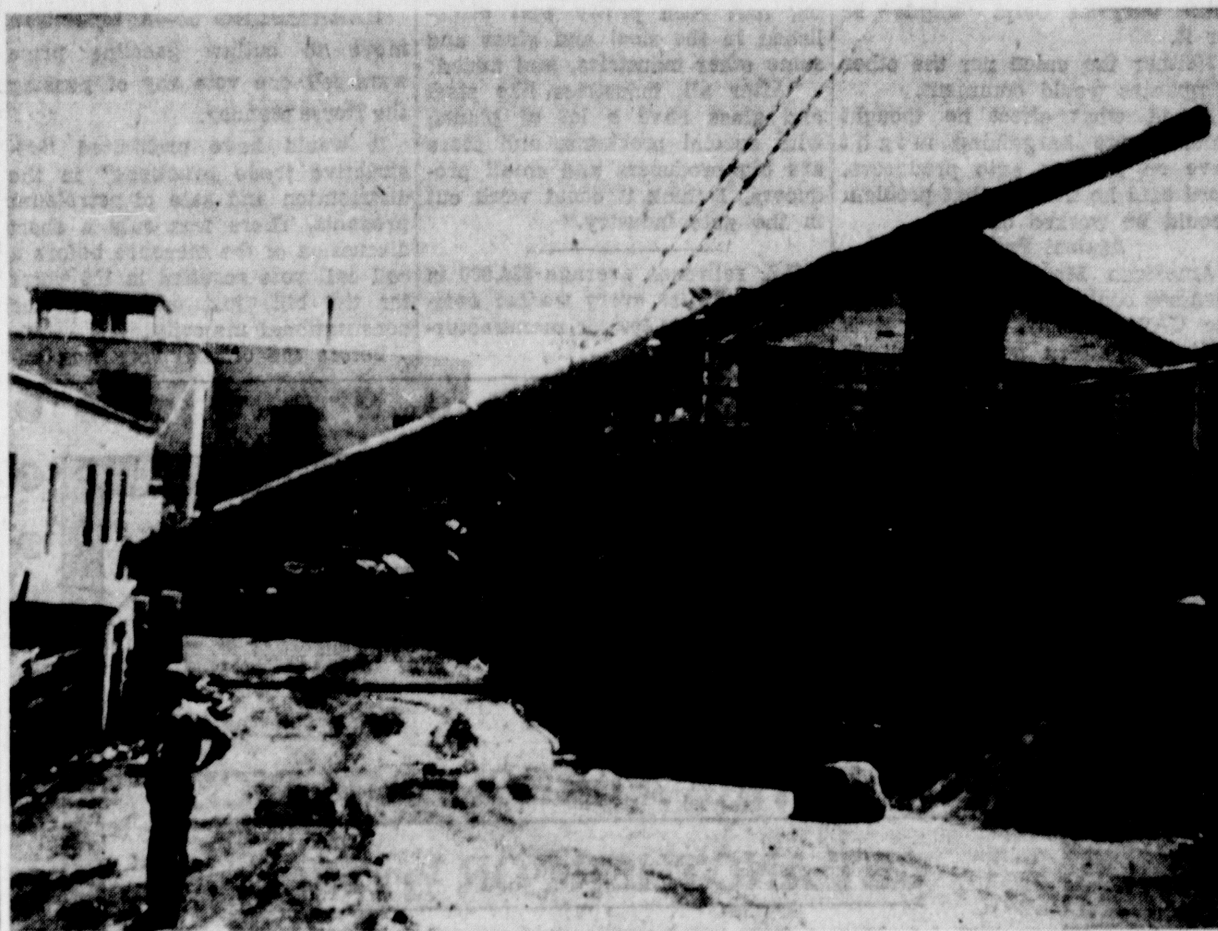

Reunion Is Held By Beamer Family

Approximately 125 descendants of the Beamer clan attended the 31st reunion Sunday at the Bendersville Firemen's Park. At the business session Carl Taylor, Bendersville, was elected president. Other officers elected were: Gilbert Beamer, Mechanicsburg R. D., vice president; Mrs. Carl Taylor, Bendersville, secretary, and Mrs. Francis Beamer, Flora Dale, was re-elected treasurer.

Awards were presented to the following: Emory Orner, Arendtsville, oldest man present; Tony Michael, son of Mr. and Mrs. Ralph Yohe, Biglerville R. D., youngest child; Mr. and Mrs. Clair Beamer, near Carlisle, most recently married couple; C. A. Beamer, Northeast, Md., traveling the farthest distance; Mr. and Mrs. Victor Emlet, and 6 children, Gardeners, R. D., the largest family present; and Mrs. Laura Orner, Biglerville R. 1, oldest lady present.

The meeting opened with the

When Big Duffy-Mott Stack Fell

When 140-foot huge smokestack fell on the roof of the cider press building at the Duffy-Mott plant at Aspers the only person injured was Sherman Roe, Biglerville, operator of the payloader that was helping to brace the stack as the crane lifted it. When the crane tipped over, the stack crashed, causing an estimated \$5,000 damage. A new roof had to be placed on the cider building. Next day the crane, which can be seen in a tilted position on the picture, was used to place the new stack on its base atop the power building beyond the crane.

Hobby Places Polio Burden On Scheele

WASHINGTON (AP)—Secretary of Welfare Hobby said on Monday she bears no responsibility for the government's actions in the Salk polio vaccine situation. She said the law places that burden on Surgeon General Leonard A. Scheele.

In a radio interview, Mrs. Hobby emphasized that she was not dis-

satisfied with Scheele's actions.

But she made repeated distinctions between the responsibilities of her department and those of the Public Health Service, a Welfare Department agency headed by Scheele.

After the broadcast, Mrs. Hobby issued a statement in which she said her remarks about health service responsibilities "should not be interpreted in any way as criticism of the U.S. surgeon general or the Public Health Service. They are serving the public with all the scientific knowledge at their command."

SENATE PASSES DEFENSE MONEY BILL ON MONDAY

By JACK BELL
WASHINGTON (AP)—Senators Byrd (D-Va.) and Symington (D-Mo.) said today a \$31,882,000,000 defense money bill will help keep America ahead of Russia in long-range aerial striking power.

The Senate passed the bill 80-0 on Monday and sent it back to the House, where a somewhat different version was approved some time ago.

One of the major differences was a Senate amendment designed to block a proposed 22,000-man reduction in the Marine Corps. This amendment was adopted 40-39. It was President Eisenhower's first reversal on a major military recommendation since he entered the White House.

More Than House Voted
The bill would provide funds to arm and support a military force scheduled to be trimmed from 2,961,300 men as of June 30 to 2,881,000 a year later.

It carries 356 million dollars more than the House voted to step up production of long-range bombers.

Left intact were House-approved provisions to reduce the Army by 87,000 men to a new level of 1,027,000, to cut the Navy by 8,000 men to 664,000 and to increase the Air Force from 970,000 to 975,000 men.

The Marine Corps would be kept at 215,000 men instead of being reduced to 193,000 as planned by the

administration and approved by the House. For this purpose, the Senate adopted an amendment by Symington to give the Marines another 46 million dollars.

"Thousands More" Than U. S.
Symington said an Air Force letter put into the record by Sen. Chavez (D-NM) and recommending "quantity production" of F101 and F104 supersonic jet fighters fulfilled his demand for a speedup in that field. Chavez told his colleagues more than three billion dollars already was available for this purpose.

Symington—a former air secretary in the Truman administration—told the Senate that Russia has "thousands more" jet fighters and light bombers than the United States.

Byrd said in an interview that, while this might be true, he had learned as a member of the Armed Services Committee that this country has possibly three times as many long-range craft as the Russians have, capable of delivering nuclear bombs.

Despite Symington's contention that the Russians may be outstripping this country in missiles development, Byrd said he believes the United States "certainly is on a basis of equality" in that field.

BEAT P. A. BILL
HARRISBURG (AP)—The House on Monday turned down 109-78, a bipartisan proposal that the state recognize and license all persons practicing public accounting.

Under the bill the licensing would have been handled by a new board of licensed public accountants in the state Public Instruction department.

FORD FAVORS INDUSTRY TALKS

DETROIT (AP)—Henry Ford II says it would be a good idea for the auto makers to get together in the future and seek an industry-wide contract with the CIO United Auto Workers.

The 37-year-old president of Ford Motor Co. said in an interview Monday that he had had "informal talks" with other in-

dustry executives on the idea. He said indications were General Motors Corp. would be against it, while Chrysler Corp. "might" be for it.

Neither the union nor the other companies would comment. Asked what effect he thought industrywide bargaining might have on smaller auto producers, Ford said he thought that problem "could be worked out."

Against Pattern
American Motors Corp., which resumes contract negotiations with the UAW Tuesday, has said it is against "pattern settlements" in

the industry and that each should be tailored to the firm it covers.

Ford said industrywide bargaining had been pretty well established in the steel and glass and some other industries, and added: "After all, industries like steel and glass have a lot of plants, with special problems, and there are big producers and small producers. I think it could work out in the auto industry."

U.S. railroads average \$24,000 in investment for every worker compared with \$14,000 for manufacturing as a whole.

Gas-Price War Measure Beaten

HARRISBURG (AP)—A bipartisan move to outlaw gasoline price wars fell one vote shy of passing the House Monday.

It would have prohibited "destructive trade practices" in the distribution and sale of petroleum products. There was only a short discussion of the measure before a roll call vote resulted in 105 votes for the bill, just one below the constitutional majority.

Before the official vote was an-

nounced, however, Reps. Toll (D-Phila.), Kolankiewicz (D-Phila.) and Polaski (D-Erie), three of the eight sponsors, changed their ballots to no. Their move will permit a second vote through parliamentary rules. The announced vote was 102-91.

Under provisions of the proposal violators would have been liable to a fine of \$1,000 or a year in jail.

POPE ASKS EVIL MOVIE BAN BY FILM INDUSTRY

VATICAN CITY (P)—Pope Plus XII, in his first major address on motion pictures, Tuesday called upon "men of good will" in the giant industry to ban corrupt films.

The head of the Roman Catholic Church spoke to leaders of the industry in Italy, stars and starlets, writers and scene builders and shifters.

Together with pilgrims from various countries, including groups from France who came here for the beatification Sunday of 19 martyrs of the French Revolution, the Pope received them in a big

general audience in St. Peter's Basilica. In all, about 10,000 persons were in the basilica. They cheered the pontiff as he was brought in on his portable throne.

The Pope plunged immediately into a long speech on the motion picture industry, describing it as one of "almost magical power."

"The extraordinary influence of the cinema on present-day society is shown by the growing thirst which society has for it," he said.

Spectator Is Prisoner
He said that, according to statistics given to him, movie attendance throughout the world in 1954 totaled 12 billion. The United States led with 2½ billion.

Their first power of attraction, he said, springs from technical qualities which "perform the prodigy of transferring the spectator into an imaginary world."

But, he said, an even greater

attraction is provided by the artistic element... which makes the spectator "a prisoner of the world unfolding before his eyes."

Has Wide Influence
"Because of this inner power of the moving picture, and because of its wide influence on the masses of men and even on moral practices," he said, "it has drawn the attention not only of competent civil and ecclesiastical authority, but also of all groups possessed of calm judgment and a genuine sense of responsibility."

The Pope said the watchfulness of public authorities over motion pictures is "fully justified by law to defend the common civil and moral heritage."

"It would certainly be desirable," he said, "if good men would agree in banning corrupt movies wherever they are shown, and to combat them with the legal and moral weapons at their disposal."

"Yet such action is not by itself enough."

The Pope then urged his listeners to reject whatever is "unworthy or evil... whatever debases human dignity, the individual and common good and especially our youth."

A recent study indicated that most Indiana farmers do not cultivate a crop of corn more than twice, some of them only once.

Conviction For Draft Evasion Is Upheld

PHILADELPHIA (P)—Conviction of T. Vall Palmer Jr., 28, of Concordville, on draft evasion charges was upheld Monday by the U. S. Third Circuit Court of Appeals in a 4-3 decision.

Palmer, a uaker, was convicted in 1950 of refusing to register for the draft, and on his release ignored a draft questionnaire, claiming he did so on religious grounds.
